EDUCATION

Full-stack-web development

AlmaBetter higher education

📅 03/2023 - 05/2024 📍 Bengaluru, Karnataka

Bachelor of Arts

Sri Dev Suman Uttarakhand University

📅 07/2015 - 01/2018 📍 Uttarakhand

PROJECTS

Hamburger Menu

📅 Present

Hamburger Menu

- Implemented smooth scrolling, a hamburger Menu, and a contact form with form validation using HTML, CSS, JavaScript.

Dynamic Card Generator with Event Listener

📅 Present

Dynamic Card Generator with Event Listener

- Built an interactive web page using HTML, CSS, JavaScript that allows users to dynamically generate new 'cards' on the page by clicking a button. Each card displays a unique number, which increments with each new card added.

Random Color Change on Button Click

📅 Present

Random Color Change on Button Click

- Created an interactive web page that changes the text color of an element randomly upon clicking a button. Demonstrates dynamic manipulation of HTML elements and efficient use of JavaScript for generating random colors.

Key Press Event Listener

📅 Present

Key Press Event Listener

- Developed an interactive JavaScript application that detects and displays the key and keycode of any key pressed inside an input box. This project demonstrates manipulation of the DOM and effective event listening.

Simple Calculator with Multiple Operations

📅 Present

Simple Calculator with Multiple Operations

- Developed a web-based calculator that performs basic arithmetic operations including addition, subtraction, multiplication, and division. This project demonstrates efficient event handling, input validation, and DOM manipulation using JavaScript.

SUMMARY

Great enthusiasm is conveyed for applying to the web developer role, aligning skills in HTML, CSS, and JavaScript with the mission to drive dynamic and interactive web solutions. A passion for innovative front-end development is demonstrated through projects like dynamic card generators and interactive web applications. Comprehensive skills in creating user-friendly interfaces and effective event handling are highlighted, showcasing a commitment to delivering engaging web experiences.
